

## Supreme BA101

### Heavy Duty Hand Dryer

- Robust and economical
- Unique drying chamber
- Proven long life + reliability
- Easy to use
- New Zealand made

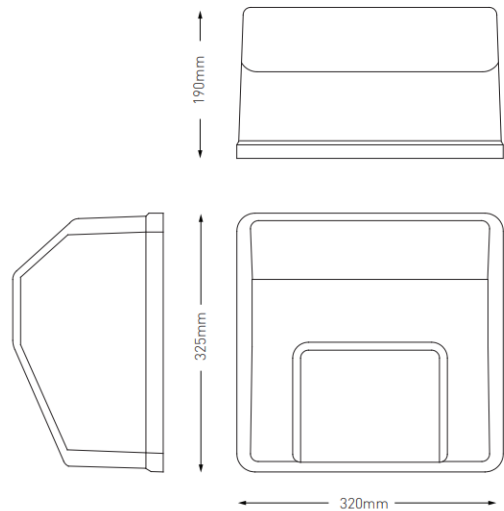

# Supreme BA101

The Supreme BA101 hand dryer is a heavy duty and economical model. With over 20 years proven reliability in New Zealand environments, the machine’s unique drying chamber and air recirculating feature reduce drying time. Suitable for installation over bench tops or reflective surfaces.

**BA101 - White**
